## Writing Intensive (WI) Requirements:

Students must have a minimum of nine (9) hours of "writing intensive" coursework to graduate from Texas State. A student who completes the core requirements of two required American History (HIST 1310 and HIST 1320) and Philosophy (PHIL 1310) at Texas State have their WI requirement fulfilled by these courses. Transfer students who have completed these courses at other institutions will not receive WI credit for the courses and must fulfill the WI requirement with other coursework completed at Texas State. Three (3) hours of WI credit will be awarded for Technical Writing (ENG 3303). Geography courses that fulfill the WI requirement are listed above. Additional related coursework in other departments may also be taken. See an advisor if you would like assistance in selecting courses that will fulfill your WI requirement.
